“Greg is a consultant, executive coach, leader, speaker and author who believes that the impossible **IS** possible if human potential is unleashed.”

// PROFILE

Greg brings a passionate commitment to helping leaders and organizations realize their strengths and enable them to achieve their potential through the application of his leadership experience and coaching skills.

He brings extensive, broad-ranging, senior level experience and insight to senior leaders, especially those involved in significant change management and quality improvement initiatives. Greg's client list is extensive and encompasses both public sector and private sector organizations and leaders.

Greg is a Certified Executive Coach (Royal Roads University) and is recognized as a Professional Certified Coach (PCC) by the International Coach Federation. Greg also holds certification in Change Management (PROSCI) and is LEAN Leader trained (BMGI).

He resides in Edmonton where he aspires next levels of personal excellence, to support the aspirations and potential of his three daughters, travel the world, and compete in athletic events around the world.
